VIHERA TECHNOLOGIES

RESIDENTIAL SERVICES OVERVIEW

Smart Home Solutions

One coordinated partner for every connected system in the home — from planning through ongoing care.

WHAT WE OFFER

Six systems, one seamless home.

Audio, Video & Home Entertainment

Home theatres, whole-home audio, and distributed video for every room.

Estate Security & Surveillance

Discreet cameras, gate & entry access control, and smart detection.

Centralized Control

Lighting, climate, security, and entertainment from one interface.

Enterprise-Grade Structured Cabling

Future-ready infrastructure behind every connected system.

Whole-Home Networking

Seamless Wi-Fi and reliable connectivity throughout the home.

After-Care & Remote Servicing

Ongoing support, diagnostics, and updates after handover.

Comfort | Convenience | Control
